

CRIME

& FRAUD PREVENTION

FORUM

"Crime and fraud cannot be solved by law enforcement alone. It is essential that law enforcement agencies work together with

community organizations, consumer and volunteer groups,

government and businesses to identify, apprehend and prosecute those responsible and prevent future occurrences."

**Arizona Attorney General
Terry Goddard**

The forum will be an opportunity for residents to learn more about crime and fraud impacting Arizona, including methamphetamine, human smuggling and drug trafficking, identity theft, consumer scams, elder abuse and Internet safety, and participate in discussions with Law Enforcement Officials about crime in their community.

For more information, or if your community organization would like to have an information table at the event, please contact:
